RE: Restoring the Utah State Flag

Lieutenant Governor Henderson:

We, the undersigned residents of Utah, respectfully submit and sponsor the following application for a proposed law, titled **RESTORING THE UTAH STATE FLAG**, and request that it be presented to registered voters in Utah for their approval or rejection at the next regular general election on November 5, 2024, in the manner provided by law.

As we believe that S.B. 31, Laws of Utah 2023, Chapter 451, will cause division within our state by creating two flags, we propose a law that repeals S.B. 31 and restores the Utah state flag, pictured below, as the one and only official state flag.

Voters of Utah in favor of **RESTORING THE UTAH STATE FLAG** would rally Utah citizens around one flag and preserve Utah's history. Instead of rebranding Utah, it will inspire patriotism towards the state of Utah, making residents proud to call oneself a Utahn. The proposed law requires that any future desire to change the Utah state flag must be put to the ballot for registered voters in Utah to reject or accept.

Included with this proposed law are the names, residential addresses, and notarized signatures of at least five sponsors and a copy of the text of the proposed law. Fred Cox is designated sponsor and the main point of contact between the sponsors and the Lieutenant Governor's office.

Once this application is accepted, persons gathering signatures for the petition will not be paid. Their efforts will be on a voluntary basis.

If you have any question or concerns, please contact Fred Cox.

Thank you.

Tracie Halvorsen, Fred Cox, Amy Lloyd, Chad Saunders, Teri Bishop, and 50+ sponsors
